

NATIONAL PLASTERERS COUNCIL
NATIONAL “GOOD TURN” PLEDGE FORM
For the JOHN WAYNE CANCER INSTITUTE
Co-Sponsored by Pool & Spa NEWS

The **National Plasterers Council** has embarked on a **NATIONAL “GOOD TURN” Program** to raise funds for the **JOHN WAYNE CANCER INSTITUTE**. The Council is committed as the pool plastering industry to give something back to our nation. The next time you are in a crowd of people, look to your left, and then look to your right. One of the three of you will be diagnosed with cancer. This is a staggering figure. But what is more staggering is the infinite number of family, friends and associates also affected by this deadly disease. Cancer accounts for nearly one quarter of the deaths in the United States, exceeded only by heart disease. There is an increase expected due to aging and growth of the population. 1.33 million new cases of cancer will be diagnosed in 2003.

The **JOHN WAYNE CANCER INSTITUTE** has been very successful in research and cancer treatment since its beginning. Crucial discoveries are being made towards finding a cure. Right now doctors and scientists work side by side behind the scenes to share their knowledge and results with one another so that one day they can share the cure for cancer with the world. It is this unique and collaborative relationship that allows the Institute to rapidly turn scientific breakthroughs into innovative treatment and to detect cancer earlier.

Those who give to our **NPC National Good Turn Program** will receive a special memento of thanks from the Council, and be recognized in the NPC ONLINE newsletter and website, and at our National Conference. JWCI is a nonprofit tax-deductible organization. Please make your check out to JWCI.
